THESE SERPENTS.... WHAT EXACTLY ARE THEY?

THEY'RE THE REINCARNATION OF FIVE RIVERS IN THE KINGDOM OF THE DEAD.

KING HADES WANTS TO USE THESE FIVE SERPENTS TO ABSORBING THE DARK EMOTIONS OF HUMANS.

FROM THERE, HE CAN SUBSTANTIALLY INCREASE HIS POWERS FOR HIMSELF.

IF HIS POWERS REACH TO THE GREATER EXTENT IN WHICH HE CAN ADVANCE TO THE HUMAN WORLD IN HIS TRUE FORM, THEN IT'D BE A BIGGER PROBLEM.

The human world is
on the verge of being eradicated...

The serpents
are taking up the dark...

Once Hades reaches
his peak power,

the world is surely
going to suffer like in hell.

He's definitely going to
annihilate everything.

Such a situation...

I won't let it happen, absolutely not!
